Party Day - Simplicity (1986)

Another long forgotten wave band. Party Day were from Barnsley and they were formed around 1981. Their 1st 7" 'Row The Boat Ashore', was released in 1983. In 1984, the band released another 7" called 'The Spider'. Next one is the 'Glasshouse' 12". This record was issued on Rouska Records, contrary to all the other records that were self-released. The 'Glasshouse' LP was issued in 1985. Party Day released another album 'Simplicity' in 1986 before falling apart. This is a great post-punk album, give it a listen. And what a fantastic song "The Other Side" is.
