BRILLIG LIVE

Saturday 2nd August
with Shen (melb; featuring seamus, ex-reckoning)
The Jade Monkey (twin st. adelaide)
9pm
\$6

At long last, Brillig emerge from the studio to perform live for the first time in months. After several recording sessions at Melbourne's Happy Valley studio, the band have nearly completed their 2nd LP, due for release in October. Filming has also begun for a debut video clip of the single 'Pterodactyls' (appearing on the new LP), also to be launched in October. The upcoming gig at the Jade Monkey will be the first & last public gig for awhile, as the band lies low again to prepare for a busy 2nd half to 2003. Brillig's august 2nd show will feature new material and new super 8 film footage, as well as a special performance by ex-reckoning singer/bassist Seamus, in his new Melbourne band Shen. For more info, check out the new-look website at www.brillig.com.au. The site is still undergoing a major overhaul, with heaps more to come, but a small chunk of it is back on line for your viewing pleasure.
