

PARTY DAY THE INTERVIEW OF SIMPLE FOLK A TALE

Q. ARE LYRICS IMPORTANT TO YOUR MUSIC?

A. Of course.

Q. BUT WHAT ABOUT "WASHING LINE"?

A. That's about the emotional stress a person can go through on a washday.

Q. ARE YOU HAVING ME ON?
A. Well you did ask me.

Q. HOW WOULD YOU DESCRIBE YOUR MUSIC?

A. As soon as a band starts to align themselves to a trend, they soon become yesterdays hero. So lets just say its drums, guitar and bass,,for the moment.

Q. WHICH OTHER GROUPS DO YOU ADMIRE?

A. Its more the emotions than the groups I respond to. You can get that from most bands. But as a whole, you can put down the Banshees, the Fall, Joy Division, and the Cure. Satisfied?

Q. WHO WRITES THE MUSIC?

A. Its a co-operative effort that can start with any rhythm or riff.

Q. WHY DO YOU THINK YOU'LL SUCCEED?

A. Do you know anyone else who have had people, at a gig, pay on the way out?
