- [BBC Radio One](#)

#### YYYY-MM-DD

- 1984-04-03

#### Comments

- Start of show: *"You know I came in early this morning to the BBC to try and catch up all the mail last week and I was sitting in the office, the sun came up gazing fondly at the bags of cards and letters that were piled high all over the place, they still love me I thought, the little people out there, you know, they really care, then I open it all up and it was for Mark Ellen, there's no loyalty you know."*
- The first show from a haul of 1500 mixed edited radio show tapes, purchased from a Scottish collector by [Peel Mailing List](#) member Haze.
- File 1 contains the intro of the show and the first song. The British Library Sound & Moving Image Catalogue website mentions the file as 58 minutes of length, which unfortunately
