

Photography with aesthetics close to Gothic (black and white), showing a woman dressed in that style The goth subculture is a music subculture that began in England during the early 1980s, where it developed from the audience of gothic rock, an offshoot of the post-punk genre. The name, goth subculture, de... [More...](#)

The Breath of Life is a dark wave, ethereal wave and gothic rock band from Belgium. "I guess you can say that The Breath of Life are an institution in the Belgian Goth scene. During decades they were, without any doubt, the sole Belgian band who was able to blend ethereal darkwave, gothrock and post-punk. Or pe... [More...](#)
